REMARKS:		
<p>This seems interesting and thought-provoking, but I cannot escape the feeling that para 3 would be a last-ditch effort, which would result in foreclosure of the U-2 program and possibly the same fate for GUSTO, unless things get so bad with the Sovs over Berlin, say, that such a gimmick would have greater value than continuation of the capability.</p> <p style="text-align: center;">[Signature]</p> <p>To: [REDACTED] in comment.
